# HEAR FROM PREVIOUS JURIES

**Ali Rez, Impact BBDO, Chief Creative Officer**

“This was a great jury to be on, one where we all learnt a lot from the work and from each other - and I must say, everybody on the jury was just amazing.

There was some terrific exploration and a lot of deep insightful strategic thinking in this category designed for younger creatives.”

**Kazuhide Adachi, Creative Director, Dentsu Inc.**

“The nurturing of young people is necessary so that this industry doesn't become old and desolate.

I think they will destroy what they think is wrong with this industry one after another and rebuild it with a new perspective.”

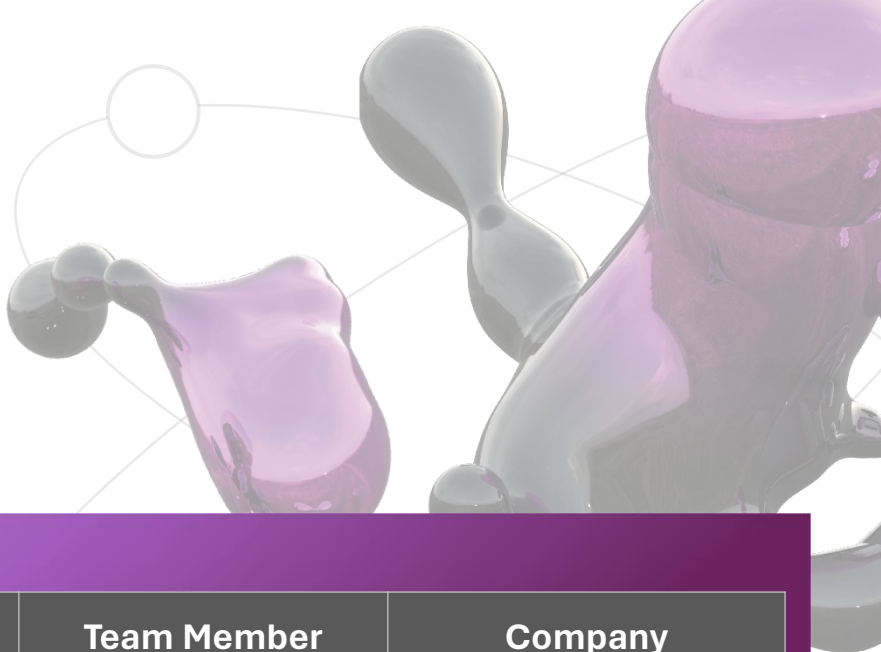

**Alfred Wee, Executive Creative Director, McCann Worldgroup Singapore**

“I had a great experience being a part of the New Stars jury and being with a fantastic panel.

It was amazing to see these junior advertisers' creative and unique ideas and be equally impressed by the diverse range of talent and how various backgrounds and cultures can influence an idea.”
