Country: South Korea; Category: Others; Employment Type: Full - Time

You can apply to up to three jobs within a rolling 30-day window. Please carefully choose a job that is the most suitable for your profile. Please visit Your Space to see the jobs you have already applied to.

For some specific jobs, and to facilitate your application's analysis, we wish you to participate to a digital interview, based on our digital tools. In such a case we will send you an email offering you this digital interview. Your answers will help us understand how well you match our culture and style of working. Your answers will be analyzed with the assistance of artificial intelligence technology and you will be given a score, but with no definitive impact on the application's evaluation. This final evaluation is always made by a member of our Talent acquisition team.
